EDUCATIONAL ACTIVITIES

From the day that The Turkiye Diyanet Foundation was found, it aims to train specialists that understand our deep-rooted heritage of civilization, worries about the ummah worries and has high self-esteem.

Our Foundation manages projects and facilitates, education opportunities in Turkey for students by providing scholarship to successful students, student dormitories for higher education, student guest houses and has opened a college and a university. Our foundation forms a bridge between the hearts of nations providing educations in Turkey to students from 111 countries such as the International imam hatip high school, International divinity program and the International guest student program.

With the opportunities provided by our Foundation, an important gap is closed. This foundation continues to strive hard on the path of education by keeping education as its priority.

OUR PRIORITY IS EDUCATION

As part of our ongoing educational activities, we have established and support 25 schools in Azerbaijan, Kazakhstan, Kyrgyzstan, Romania, Bulgaria, Somalia, Malaysia, Bangladesh, Haiti, North Cyprus, Mongolia, Palestine, Georgia and Pakistan. A total number of 15.531 students study in these schools while 9.601 students have so far graduated from the schools.

Diyanet Scholarship Programs, have an important place among the educational activities of our Foundation. In this context, a total number of 3.124 students, from 111 countries, continue to study at high school, bachelors, masters and PhD levels in different cities in Turkey.

According to the protocol signed by our foundation and Turkish Ministry of National Education, International Imam Hatip High School students study on the boarding status. Therefore, the students study at schools deemed appropriate by the Ministry of Education. Our goal is to provide global Muslim communities deprived of access to Islamic education with that opportunity.

PURPOSE OF THE PROGRAM

The purpose of TDF International Imam Hatip High School Scholarship Program;

- a) To contribute Islamic education of the Muslim communities,
- b) To train qualified people in every aspect of Islam who will benefit their communities with their knowledge and experiences,
- c) To build cultural bridges between Turkey and related societies,
- d) To share experience in the field of Islam and Islamic education,

IMAM HATIP HIGH SCHOOLS IN TURKEY

Imam Hatip High School is a type of vocational high school with Islamic syllabus, conducted under the authority of the Ministry of National Education in order to meet the need of Islamic education and human resources in the field.

In the curriculum of the Imam Hatip High School's there is common high school courses, in addition of those common courses there are also vocational Islamic education courses. After the International Imam Hatip High School graduation students can continue studies on different programs for higher education.
